

グリッドアップ®
キッチンから、笑顔をつくろう

This block displays three different built-in electric cooktop models. The top model is a gas cooktop with four burners, labeled 'ガス機器' (Gas Appliance) in a green bubble. The middle model is an induction cooktop with two circular heating zones, labeled 'IHヒーター' (IH Heater) in a red bubble. The bottom model is a standard electric cooktop with four solid heating elements.
